MARK THIS EVENT: NEXT FUNCTION - Club Meeting with Guest Speaker Rob Zimmer

Spring meeting SATURDAY April 13th, 2019 AT THE
GREEN BAY BOTANICAL GARDEN 11:30 AM - 4:00 PM.

HAPPY Spring B.A.D. Members

I know everyone is ready to begin another new growing season and put this past winter behind us. Hopefully any precipitation we receive will not be in the form of (you know what.) Not gonna say it.

Please plan to join us next Saturday as we begin to think about this upcoming year and the color our gardens will provide as well as the surprises it may hold for us. The afternoon will consist of fellowship, a great lunch, and a guest speaker which I'm sure we will all enjoy. Rob Zimmer will be talking about one day trips in Wisconsin for those of us who may want to do "a quick getaway" which may include different seasons of the year and potentially interest's all of us gardeners. If time permits a second presentation will be on edible wild mushrooms. Rob is well known in Wisconsin as a gardening expert and reporter who hosts a weekly radio program, his knowledge is vast and will be well prepared. A question and answer period will be held at the end of each presentation. You won't want to miss this one.

Directions for our new club members: Enter the Visitor's Center through the doors to your right and proceed down stairs to the meeting room right of the stairwell.

The culinary talents of our club members, Suzanne and Mike Heideman will be provided. Coffee and beverages are included.

Adopt-A Daylily Program

If your Cultivar is coming due for a return back to the club this year, please keep a watchful eye on it. As the plants begin to grow and there are more than four fans please make sure to keep two fans and return the additional fans back to the club for the next meeting - Auction night. Terry will provide more details regarding the program at this Saturday's meeting.
