- Remember you will be rewarded with BAD Bucks for each hour of digging, working the setup, and each of the sale dates, as well as digging from your own collection in which you are donating to the sale. Make sure to record the hours you have worked and sign them up on the worked hour's sheet at the sale.
- Please look at your calendars and donate whatever time available you may have during the scheduled functions to make this sale a great success. Many hours have already been applied as behind the scenes preparation. We want to have a great turnout of club members to support the sale and provide service and knowledge to our customers. We have found that many of the people who have attended the sale in the past are starved this type of knowledge. SELL, SELL, SELL.
